

CME from UpToDate
via the
AMEDD Virtual Library (AVL)

2 July 2012

CME from *UpToDate* via the AVL

Earning Continuing Medical Education (CME) credit is now available via the AMEDD Virtual Library!

This new *UpToDate* feature is now available to the AMEDD via the *UpToDate* license. Previously, CME was available only to individual *UpToDate* subscribers. **Please note that you cannot earn CME using the UpToDate DVD due to licensing restrictions.**

1. User logs into *UpToDate* via the AMEDD Virtual Library (AVL) @ <https://medlinet.amedd.army.mil> (next slide)
2. First time only ~ Welcome to *UpToDate* page: User registers in *UpToDate* registration module (slides 4-5)
Be sure to use your AKO User Name & Password
3. For all subsequent logins, user will be able to earn *AMA PRA Category 1 Credit™* or *AANP* contact hours each time he/she researches a question using *UpToDate*

Login to *UpToDate* via the AVL

Registration Page – User Will See First Time the *UpToDate* Tab is Clicked to Access *UpToDate*

The screenshot shows the UpToDate website's registration page. At the top, there is a navigation bar with the UpToDate logo, a search bar, and a menu with items: New Search, Patient Info, What's New, Calculators, CME, and My Account. The 'CME' and 'My Account' tabs are highlighted with an orange box. Below the navigation bar, the main heading is 'Earn CME with UpToDate', followed by the text: 'Once you register or log in, you can earn CME/CE/CPD credit each time you answer a clinical question.' The page is divided into two main sections: 'Log in (Returning User)' and 'Register (New User)'. The 'Log in' section has fields for 'User Name' and 'Password', a 'Remember my user name' checkbox, and a 'Log In' button. Below these are links for 'Forgot your user name or password?' and 'BETA Athens Log in'. The 'Register' section has a 'Learn More' link and a note that 'All fields are required for registration'. It lists fields for 'First Name', 'Last Name', 'Email Address', 'Verify Email Address', 'ZIP/Postal Code', 'City', 'Country', 'Specialty', and 'Practice Type', each with a corresponding input field or dropdown menu. On the right side of the registration form, there are fields for 'User Name', 'Password', and 'Verify Password'. At the bottom right of the registration form is a 'Submit Registration' button and a link that says 'Skip this for now'.

If you do not see this page:
Click "My Account" or "CME" tab to register.

Register Here:
New or users without existing UpToDate accounts should register.

Personal Subscribers:
Log in with personal subscription username and password. New account and existing account will automatically merge.

New Search:

| All Topics ▾ Search

▶ Drug Interactions

When users are registered, searching through the CME integration link earns point of care Category 1 CME credits directly from *UpToDate* [ticker tab tracks your CME].

AMEDD users will see the *UpToDate New Search* page after registering.

Summary

Once CME integration is live:

- Registered users accessing *UpToDate* via the AMEDD Virtual Library will be automatically signed into *UpToDate* – no legal notice, no sign-in.
- Registered users earn *AMA PRA Category 1 Credit™* or *AANP* contact hours each time they research a question using *UpToDate*. If needed, login to *My Account* & change your default settings for CME/CE.
- If users do NOT access *UpToDate* through the AVL, and instead use the “no login/I will register later” link, they will still be able to use *UpToDate*, but will not receive CME credit. (There is no way of getting CME using the “no login” link, because there is no way of identifying an individual user via the “no-login” link).
- You do not need to register if you do not want to earn CME/CE.
- **Please note that you cannot earn CME using the UpToDate DVD.**
