

ABOUT THE NORTHPORT VA MEDICAL CENTER

The Northport VA Medical Center is a tertiary care teaching facility with affiliations with the SUNY Stony Brook School of Medicine. It is also a rotation site for Doctor of Pharmacy candidates from Albany College of Pharmacy and St. John's University.

The Northport VAMC is a 336 bed medical center that operates on a paperless system via a computerized patient record system allowing for more efficient patient centered care.

WHAT OUR PAST STUDENTS & RESIDENTS HAVE SAID...

“The kind of clinical knowledge and experience I gained at the Northport VA will be invaluable to my career.”

“Being a resident at Northport VA gives you the opportunity to collaborate with a variety of health care professionals to help improve patient care.”

“Northport VAMC offers many rotations to learn from that encompasses different areas and aspects of pharmacy care.”
