Case Presentations
Morbidity and Mortality Conference
MUE Project
QA Project
Research Project
Newsletter Articles
Formal Seminar
Staff Inservices
Student Preceptorship

SEND APPLICATION MATERIALS TO:

Sandra Tolbert, PharmD, CGP

PGY1- PHARMACY RESIDENCY

The Cleveland VA Medical Center is a multi-unit medical complex and is one of the largest VA facilities in the country and is affiliated with Case Western Reserve University. The residency focuses on the development of a solid, well rounded knowledge base with the flexibility to gain experience in more specialized areas. Upon completion of the residency, the resident will be well prepared to assume a clinical pharmacy position in adult medicine or go on to a specialty PGY-2 pharmacy residency position.

REQUIRED EXPERIENCES:

Inpatient adult internal medicine (4 months)
Critical Care (1 month)
Practice Management (longitudinal)
Ambulatory Care (1 month)
Infectious Disease (1 month)

ELECTIVE EXPERIENCES:

Ambulatory Care (longitudinal)

Alice C. Leone, RPh

**PGY2- AMBULATORY CARE
PHARMACY RESIDENCY**

The residency is designed to develop an expert in ambulatory pharmaceutical care. The resident is part of an interdisciplinary team providing chronic disease management for individual and shared medical appointments. The residency promotes individual development, self-reliance and responsibility to the patient. Management skills are emphasized through precepting. Development of new programs, clinics, and research is expected. The resident is prepared to serve as a clinician and a teacher/consultant in an ambulatory care setting.

REQUIRED EXPERIENCES:

Administration/Formulary Management
Ambulatory Care
Anticoagulation Clinic
Behavioral Medicine
Cardiology
Endocrinology
Home Based Primary Care
Infectious Diseases
Nephrology
Women's Health
