December 2012

Dear PGY2 Medication Safety and Outcomes Assessment Resident Candidate:

Thank you for your interest in the Department of Veterans Affairs (VA) Pharmacy Benefits Management Services (PBM) and Center for Medication Safety (VA MedSAFE) PGY2 Residency in Medication Safety and Outcomes Assessment.

The VA PBM and MedSAFE PGY2 Residency in Medication Safety and Outcomes Assessment is a 12-month program located at the Edward Hines, Jr. VA Hospital in Hines, Illinois. This second year residency will provide highly motivated individuals with the opportunity to apply medication safety, outcomes research, and evidence-based medicine practices within the VA system. The goal of this program is to develop advanced knowledge and skills in medication safety and pharmacovigilance in the federal managed care setting. The program is currently pending accreditation by the American Society of Health-System Pharmacists (ASHP).

If you are interested in interviewing, please send an e-mail to Fran.Cunningham@va.gov. In addition, please complete the attached application. The application materials are due on January 11, 2013. Selected candidates will be contacted for an on-site interview.

Please do not hesitate to contact me if you should have any questions regarding the VA PBM and MedSAFE PGY2 Residency in Medication Safety and Outcomes Assessment. My e-mail address and office telephone number are listed below.

Kind Regards,

Fran Cunningham, Pharm.D.
