

**DoDEA Mission Statement**

The Department of Defense Education Activity provides, in military communities worldwide, exemplary educational programs that inspire and prepare all students for success in a global environment.

**SAMS Vision**

Preparing all students to be leaders of tomorrow.

**Guiding Principles**

Productive citizenship is embedded in the Guiding Principles and is an inherent core value of all CSP goals for all DoDEA stakeholders.

**Success for All Students**

- T**rust and Respect for Others
- U**ncompromising Advocacy for Students
- D**evelopment of Lifelong Learners
- E**qual Access to Quality, Rigorous Education
- N**ew and Motivating Challenges to Inspire Excellence
- T**eaching with High Expectations
- Safe and Stable Learning Environment*

**CSI GOAL 1**

By June 2014, all students will increase performance on targeted Information from Text skills using instructional interventions implemented in all curricular areas as measured by the TN 3 Reading subtest and other System-wide and school based assessments. The targeted skills are to interpret and extend the use of information from the text; to make predictions and generalize ideas to other situations; and to draw conclusions and infer relationships.

**Intervention:** SQ3R

**CSI GOAL 2**

By June 2014, all students will increase performance on targeted Writing skills using instructional interventions implemented in all curricular areas as measured by the TN 3 Language Arts subtest and other System-wide and school based assessments. The targeted skills are to write a response to literature that demonstrates understanding of the literal meaning of the text, to use the writing process and prewriting techniques, to write for different audiences, and, in a written response, to make connections between text, self, and the world.

**Intervention:** The Writing Process

### DoDEA Electronic Gradebook Policy

Teachers will make available information to parents and students at the beginning of each course or grade level to include grading policy and course requirements. This information will be provided to parents and students by the end of the first month of the school year or in the case of a semester course, by the end of the first month of the semester.

If any child demonstrates unsatisfactory progress or achievement, parents will be notified by teachers with enough time to correct the deficiency.

Timely and accurate reporting of student progress shall be accomplished using the approved DoDEA Electronic Gradebook (EGB) System, GradeSpeed. All assignments (e.g., quizzes, tests, examinations, homework, speeches, etc.) that are used to assess and report student progress shall be promptly evaluated and/or graded, posted in the EGB, and returned to the student. The normal period of evaluation and posting should be no longer than ten (10) calendar days from the date the assignment is collected, with reasonable exceptions for large projects (e.g., term papers, research projects, portfolios, etc.). This includes all assignments at all grade levels and in all subjects that are part of the teacher's assessment of the student. At a minimum, teachers are to record one assignment or grade per week in the EGB System. Limited exceptions may be granted by the school principal.

## GradeSpeed: ParentConnect

<https://dodea.gradespeed.net>

The ParentConnect allows parents to stay connected with their child's education by allowing them to view academic progress and provide easy communication channels to parents.
