LIBRARY NOTES

INFORMATION LITERACY

Compiled by Greta H. Andrusyszyn
November 2009

The U.S. Army War College Library defines Information Literacy as the ability to find, evaluate, organize, and use information from a variety of sources, effectively and ethically. This Library Notes provides selected resources to develop or enhance information literacy skills. All items are available in our Library's print collection and databases, or on the Internet as of November 2009.
