

U.S. ARMY WAR COLLEGE

LIBRARY NOTES

CULTURAL AWARENESS

Compiled by Lenore Garder
August 2009

Cultural considerations have an important role in national security and military operations at all levels, to include tactical, operational, strategic, and policy formulation. The U.S. Army War College Library compiled this bibliography to provide selected sources of information about Cultural Awareness. All items are available in the Library or through database links and the Internet. Internet resources and websites were accessed in August 2009.
