

WAR TERMINATION

A Selected Bibliography

U.S. ARMY WAR COLLEGE LIBRARY

October 2010

PREFACE

The study of War Termination is an important topic of research for the United States Army. The purpose of this bibliography is to introduce some of the resources readily available at the U.S. Army War College or on the Internet about War and Conflict Termination. It is not a comprehensive listing, but is intended to be a starting point for research.

All items are available through the USAWC Library. For your convenience, at the end of the entries, we have added library call numbers, Internet addresses, or database links. Web sites were accessed during September 2010.

Our bibliographies, compiled by research librarians, are available online through the Library's home page at <http://www.carlisle.army.mil/library/bibliographies.htm>.

For additional information, please contact the Research and Information Services Branch, U.S. Army War College Library, by sending an e-mail message to USAWC.LibraryR@us.army.mil, or by phoning DSN 242-4259 or Commercial (717) 245-4259.
