## LIBRARY NOTES

---

### WEST AFRICA

Compiled by Virginia C. Shope, MSLS  
Research Librarian, U.S. Army War College Library  
October 2008

This selected bibliography supports the Strategy Formulation Exercise, a capstone for the AY09 National Security Policy and Strategy course, part of USAWC's core curriculum. Readings focus on important elements of power such as diplomatic, economic, and military, as well as general information about the region. For this exercise, the West Africa region includes Nigeria, Cameroon, Niger, Benin, and Chad.

All items are available through the Library. We have added database links or Internet addresses for those readings you can access online. Other materials have been placed on the Library's reserve shelf.
