ITS Research Results: ITS Program Plan 2008

[Table of Contents](#)

Notice

The U.S. Department of Transportation ("the Department") provides high-quality information to serve Government, industry, and the public in a manner that promotes public understanding. Standards and policies are used to ensure and maximize the quality, objectivity, utility, and integrity of its information. The Department periodically reviews quality issues and adjusts its programs and processes to ensure continuous quality improvements.

Notice

The United States Government does not endorse products or manufacturers. Trade or manufacturers' names appear herein solely because they are considered essential to the object of the report.
