Nurse's Notes

February 20th-22nd the Hohenfels Dental Clinic will visit our school and do basic dental screenings. Attached is a permission slip to send in with your student(s). Hard copies will come home in backpacks as well. Only those students with a signed permission slip will be screened. Students will return their screening information to home with the outcome. The next week, the Dental Clinic returns with a fun and educational presentation for all grade levels. Our students will learn quite a bit about oral health and nutrition-take a moment to ask them what they learned about hidden sugars in common beverages!

Book Recommendation

The 2013 American Library Association Youth Media Awards were announced last Monday, January 28th ! Picture book This Is Not My Hat written and illustrated by Jon Klassen was the Caldecott Award winner. The Newbery Award winning book was The One and Only Ivan by the Animorphs series author Katherine Applegate. Both of them represent the best of our country's children's literature from 2013 and would be a great reading choice!

Winter Health

This winter has been no exception on a wide array of illnesses. Please keep sick or under the weather feeling kiddos at home. Our policy is that kids MUST be fever free without medication for 24 hours. This rule applies to vomiting and diarrhea-no symptoms for 24 hours in order to return to school. Many kids are coming to school before they are ready. Let's all work together to keep our students, staff, and community healthy! Be Well!
