

Yough Weekend Recreation Outlook

On Thursday, 18 October, Youghiogheny River Lake was at elevation 1395.1' (NAVD88) and falling about 0.7' per day.
The dam is releasing 700 cfs, and the Ohiopyle gage was 1.77' and steady.
We expect to hold the current release through the weekend, with Ohiopyle above 1.6' through the weekend.
