I'VE BEEN RACING SINCE 1995, I HAVE 3 CHAMPIONSHIPS, FOUR WOLRD CHAMPIONSHIPS, SOMEWHERE AROUND 30 CAREER WINS. SOME OF THE TIPS I MIGHT HAVE ABOUT SOME OF THE CONDITIONS MINOT MAY BRING IN THE WINTER TIME IS IF YOU WANT TO GET TO THAT SITE QUICK, IF YOU'RE DONE AT YOUR JOB AND YOU WANT TO GET HOME QUICK, BECAUSE YOU'RE RUNNING LATE, AND THEY'VE ALREADY GOT YOU OUT THERE THREE HOURS LONGER THAN YOU THOUGHT YOU WERE GOING TO BE. SOMETIMES SLOW IS FAST, AND SOMETIMES TAKE YOUR TIME BE SAFE AND YOUR GONNA GET HOME AND MOVE ON TO WHATEVER ELSE THE OTHER THINGS YOU WANTED TO DO.

PROFESSIONAL DRIVER

I'VE COMPETED IN A RACE CALLED KING OF THE HAMMERS WHICH IS A GRUELING RACE THAT COMBINES 35 MILES OF ROCK 100 MILES OF DESERT AND I'M THE FIRST WOMAN TO FINISH THAT RACE AND THE ONLY WOMEN TO EVER FINISH TWICE. TO THE NEW AIRMEN THAT ARE COMING TO MINOT AND EXPERIENCING THESE ICY ROADS FOR THE VERY FIRST TIME I WOULD SAY YOU HAVE TO BE SMART, YOU ARE NOT ABOVE BEING IN HARMS WAY. KEEP YOUR HANDS ON THE WHEEL, SIMPLE BASICS, BUCKLE UP AT ALL TIMES, AVOID DISTRACTIONS, YOU KNOW WHAT KEEP YOUR FOCUS ON THE ROAD. STAY CALM, IF YOU DO FIND YOURSELF INA POSITION WHERE YOU ARE GONNA RUN INTO A DITCH ON PURPOSE TO AVOID A COLLISION OR YOU EXPERIENCE THOSE ICY ROADS ABSOLUTELY STAY CALM AND YOULL GET RIGHT THROUHG IT.
