Utilities	\$ 1,296,632
Communications	\$ 162,590
Base Operations	\$ 6,960,118
TOTAL	\$ 8,419,340

The 102nd Intelligence Wing is proud to be a member of Barnstable County and one of the top employers in the area. The payroll, local construction expenditures, and other local purchases total more than \$40 million spent in the local economy. Our spending helps create additional jobs throughout the local communities.

We work hard to support local communities through projects and community involvement. For example, the 102nd assists with such tasks as security, parking and medical for local events. We participate by providing honor guard duty for funerals, patriotic holidays, and observances. Many of our employees are active volunteers in local communities.

We are citizen Airmen making positive contributions to our communities and Cape Cod life.

We are proud to live and work here!

102D INTELLIGENCE WING

WE ARE VITAL!

The global war on terrorism is real and because of this global security environment, the Air National Guard has assumed an added role - one that increases our value to the Total Force. As part of an expeditionary aerospace force, we perform missions in many parts of the world, promoting global stability. The world is so interconnected today that a disturbance in one area affects many others. Global stability is a must. With stability comes a greater sense of safety and confidence that our way of life, our basic freedoms, will not be threatened by an aggressive nation.

Mission Statement:

The 102nd Intelligence Wing performs the critical mission of providing worldwide precision intelligence and command and control along with trained and experienced Airmen for expeditionary combat support and homeland security.

WE LIVE HERE!

	102nd IW Total Employees		
	Auth/Assign	Local	Percent
