WASHINGTON, March 29, 2011 – The Defense Security Cooperation Agency notified Congress today of a possible Foreign Military Sale Order to the Government of Greece to provide funds for blanket order requisitions FMSO II, under the Cooperative Logistics Supply Support Agreement (CLSSA) for spare parts in support of Hellenic Air Force aircraft. The estimated cost is \$160 million.

The Government of Greece requests a Foreign Military Sale Order (FMSO) to provide funds for blanket order requisitions FMSO II, under the Cooperative Logistics Supply Support Agreement (CLSSA) for spare parts in support of F-16, E/RF-4E, C-130H/B, C-27J, T-6A/C, and other aircraft with systems/subsystems of U.S. origin in the inventory of the Hellenic Air Force. The estimated cost is \$160 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a NATO ally.

The uninterrupted supply of spare parts will allow Greece to keep its aircraft fleet at the highest state of readiness

The proposed sale of this equipment and support will not alter the basic military balance in the region.

Procurement of these items will be from many contractors providing similar items to the U.S. forces. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this sale will not require the assignment of any additional U.S. government or contractor representatives to Greece.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

This notice of a potential sale is required by law and does not mean the sale has been concluded.
