1. Go to <http://www.adobe.com/products/digitaleditions> to download the *Adobe Digital Editions* software on your computer. You will need to set up an Adobe ID.
2. Activate your Nook by plugging it into your computer with the USB cord while *Adobe Digital Editions* is open.
3. Log into AKO >My Library> eBooks> Army Digital Media Library
4. You may choose to search only eBooks. The Nook is compatible with Adobe EPUB and Adobe PDF eBooks.
5. When you find the book you want in a format compatible with your Nook, click on *add to cart*.
6. Click on *Proceed to Checkout*.
7. Click on *Confirm Checkout*.
8. Click on *Download*. When asked, select Open with *Adobe Digital Editions*.
9. In the *Adobe Digital Editions* window, click on Library View (the icon of books in the top left corner).
10. Use click and drag on the recently checked out library eBook to move the file to **My Nook** which will appear as a NOOK Icon on the left hand side within the interface.
11. Eject your Nook safely.
12. Click on the Home Icon on your Nook to see your file. It should be on the screen ready for you to click on and read. If you do not see your book on the Home screen, touch More. Your library books should be under Files.
