

**DRAFT**

ENVIRONMENTAL ASSESSMENT  
DESIGNATION OF CRITICAL HABITAT  
FOR THE  
MEXICAN SPOTTED OWL  
*(Strix occidentalis lucida)*

Prepared by

U.S. Fish and Wildlife Service  
New Mexico Ecological Services Field Office  
Albuquerque, New Mexico

## TABLE OF CONTENTS

1.0	Purpose .....	1
1.1	Need for the Action .....	1
1.2	Background .....	3
1.3	Critical Habitat .....	7
2.0	Description of Alternatives .....	8
2.1	No Action Alternative.....	8
2.2	Action Alternative .....	9
2.2.1	Designation Identified in the Proposed Rule (Proposed Alternative).....	11
2.2.2	Designation Identical to the 1994 Final Rules.....	14
2.2.3	Designation of the Entire Historical Ranges.....	15
2.2.4	Designation of Only the Occupied Portions of Historical Ranges.....	15
3.0	Description of the Affected Environment .....	16
3.1	Physical and Biological Environment .....	16
3.2	Human Environment .....	20
3.3	Tribal Lands .....	21
4.0	Environmental Consequences .....	23
4.1	Effects on Mexican Spotted Owl .....	26
4.2	Effect on Fish, Wildlife and Plants .....	27
4.3	Recreational Impacts .....	28
4.4	Agricultural, Including Timber, Fuelwood, and Grazing Impacts .....	29
4.1.5	Socioeconomic Impacts .....	30
	References Cited .....	32
