SDB Program

- **SDB Applications Suspended**
 - The Small Business Administration (SBA) has suspended the receipt of applications for the Government-wide Small Disadvantaged Business (SDB) Program effective September 22, 2008.
 - Companies may continue to self-certify as SDB.
 - This does not affect 8(a) Business Development Program applications, but they may take a little longer to process.

Program Priorities

- The 8(a) program has priority over all other set-aside programs.
 - FAR 19.800(e): "Before deciding to set aside an acquisition in accordance with Subpart 19.5 [small business set asides], 19.13 [HUBZone set asides], or 19.14 [SDVOSB set asides], the contracting officer should review the acquisition for offering under the 8(a) Program.
 - If the acquisition is offered to the SBA, SBA regulations (13 CFR 126.607(b)) give first priority to HUBZone 8(a) concerns."
- HUBZone has priority over SDVOSB
 - because of the terminology used in the respective laws ("shall" vs. "may") – GAO Decision B-400278; B-400308 (International Program Group, Inc.), September 19, 2008.
- Must clear HUBZone before considering Small Business Set-Aside.
