

**ARMY MEDICINE**  
Serving To Heal...Honored to Serve

## Army Medicine Healthcare Covenant

*We recognize the need for the health, wellness, and resilience of our force and our Families.*

### **We will stand alongside and inspire confidence in our Warriors and Families by:**

- Supporting the Force
- Enhancing the Care Experience
- Enhancing Unity of Effort
- Innovating Army Medicine and Health Service Support
- Optimizing Resources
- Improving, Innovating, and Adapting Leader Development
- Supporting the Army Profession

### **We are committed to...**

- The Medical Readiness of Our Force.
- Extraordinary Patient Care Experience.
- Population Health to Promote Health and Prevent Disease.
- Reducing Variance, Focusing on Quality and Adapting to Change for Cost Containment.
