### ***Section 2. Invocation by Agency or Union Only***

Only the Union or the Agency may invoke arbitration. This shall be done within 30 days of receipt of the fourth step decision in the case of a grievance or within 30 days after the effective date of a suspension or an adverse action. Decisions to pursue arbitration for the Union must be decided by the elected Union officials.

### ***Section 3. Use of FMCS***

Either party may invoke arbitration under this procedure by requesting the Federal Mediation and Conciliation Service (FMCS) to provide a list of persons qualified to act as an arbitrator. To select the arbitrator from the list of persons, both parties will strike names until one person is left. An alternate arbitrator will be the last arbitrator struck.

### ***Section 4. Selection of Arbitrator***

Upon selection of the arbitrator in a particular case, representatives of the parties will communicate with the arbitrator and with each other to select a mutually agreeable date for the arbitration hearing.

### ***Section 5. Arbitrator's hearing***

The arbitrator's hearing shall be conducted on the NIH effected work site or a site to be mutually agreed upon by management and the union. If an offsite location is used, then both parties will equally share all expenses. The arbitration hearing shall be scheduled during the workweek of Monday through Friday, and shall be scheduled to begin no earlier than 8 a.m. and shall end at the time designated by the arbitrator.

If the parties mutually agree to postpone, delay, and/or cancel an arbitration proceeding, the parties will equally share the cost of any and all such fees.

**Section 9. Written Briefs**

A written brief may be filed at the option of each party or at the request of an arbitrator.

When contemplated changes in an Officers' regular tour of duty are in excess of 4 hours (not including time for equipment maintenance), Management will strive in good faith to notify the affected Officers at least 7 days before the effective date of such changes. In situations of declared emergencies, Management will endeavor to notify affected officers as expeditiously as circumstances permit.
- B. In the event a need arises to change an Officer's tour of duty for one (1) hour from his current tour of duty to fill a work assignment, such a change shall not extend for more than three (3) days. The Agency will seek volunteers to fulfill the assignment. Should there be no volunteers, the Agency will assign the work to an Officer.
- C. Sign off days within the scheduled shifts will be determined by seniority; however, management will determine the work schedules.
- D. When shift vacancies arise, management shall announce the vacancy and provide all necessary information for officers to apply for the open position. While selecting the appropriate applicant for the vacancy, management shall evaluate applicants by set objective considerations that are announced in the vacancy. "Objective considerations" include, but are not limited to such matters as: ability; skill; and qualifications for an assignment. When objective considerations are equal, seniority shall be used as the tie breaker. If no officers apply to fill the vacancy, then reverse seniority will be used to fill the vacancy based on qualification and needs of the department.

In order to prevent a void of experienced leadership on each shift, vacancies will be filled by officers within the same grades – example: MPO to MPO (Grade 8), CPL to CPL (Grade 7), Officers (Grades 5 and 6), Specialty Unit to Specialty Unit (K-9 to K-9). Officers assigned to specialty units or those who have received certified training necessary for the vacancy may be reassigned as necessary by the Chief of Police or his/her designee.

Officers that have been transferred for disciplinary reasons will not be able to apply for a shift vacancy if it is noted as part of the vacancy announcement or disciplinary action.

- E. The schedule of tours of duty may be changed by the Shift Commander to permit Union representatives or Officers who might act as witnesses, to participate during duty hours in oral replies to proposed disciplinary actions, grievance appeals, hearings, and investigations.

Whenever possible, overtime assignments will be handled on a volunteer basis, as long as the officer is qualified. In no case will the regular workweek (sign-off days) be changed solely to avoid payment of overtime pay unless waived by the officer or to accommodate training. This section will not apply during emergency situations.
- B. An Officer required to perform any work before or after his/her scheduled work hours will receive compensation for all such work in accordance with law.
- C. Officers shall receive compensatory time at the rate of 1 hour for every hour of overtime worked. Compensatory time shall be rounded up to the next quarter of the hour in accordance with regulations.
- D. When an Officer is required to report for duty on his/her sign-off day or is called back to duty, the Agency shall provide a duty assignment of no less than 2 and up to 4 hours duration. The officer will be compensated for the full two hours regardless of the early dismissal.
- E. When an Officer is required to report for court on his/her sign-off day or off-duty status, he/she shall receive a minimum of 2 hours of overtime pay or compensatory time at the officer's request in accordance with law.
- F. A system for the fair distribution of work hours beyond the 40- hour workweek shall be discussed for impact and implementation between the Agency and the Union when long-term overtime assignments are foreseen.
- G. Compensatory time provision – NIH Police officers can choose between Compensatory time or overtime. Compensatory time converts to overtime

if not used pursuant to rules and regulations. Management retains the right to grant or deny the use of compensatory time upon request of the Officers.

- H. Officers assigned to the K-9 unit shall receive an additional 1 hour of overtime pay, seven days per week, for care of their K-9 and related equipment. This is in addition to the .5 hour of overtime pay all officers currently receive at the end of each tour of duty in regard to equipment and uniform maintenance. If on leave and the dog is kenneled at NIH, or for other reasons kenneled at NIH for 1 or more days, Officers will not receive the additional overtime.
- I. Management will provide free use of the R&W fitness facilities or other facilities as deemed appropriate by the Chief, for officers on non-duty time, to work out. This is voluntary.

### ***Section 5. Meal Breaks***

Meal breaks for Police Officers are considered part of their regular duty and they shall be paid for the break since they are required to be on duty at all times and ready to respond to all calls for emergency services even while eating. If no meal break is available, no additional compensation is owed in accordance with this contract.

### ***Section 6. Realignment of Workweeks***

When Management determines that it is necessary to realign the workweeks at a worksite, the Union shall be notified and given an opportunity to negotiate impact and implementation in accordance with the change clause of the contract.

The Shift Commander will advise Officers in writing of the status of their leave request within 14 days of their date of request. If at the time of the request leave cannot be approved, the request shall remain for consideration unless withdrawn by the Officer. If the officer has not received an answer within the 14 days, he may request a ruling on the leave by his branch commander.

When an Officer returns to duty from absences beyond 3 days, he/she may be required to be certified fit for duty by a physician at the Occupational Medical Service. In cases where it is apparent that a total of 3 consecutive days will be insufficient to recover from an ailment, the Officer shall notify his/her supervisor prior to the third day and thereafter as appropriate. Officers shall adhere to SOPs and directives in regards to leave use and notifications.
- B. Sick leave privileges may be restricted or suspended at any time when misuse is identified and special leave restrictions may be initiated.
- C. Officers using leave under the Family Medical Leave Act and/or the Family Friendly Leave Act shall use it in accordance with law, rule, and regulation.

## **Section 9. Limited and Light Duty Status**

- D. Limited duty is defined as a temporary work assignment, usually of short duration in which an employee can perform some of his/her normal duties or other duties as needed by the Agency in the Division. Officers may be placed in a limited duty status as a result of both on the job as well as injuries or illnesses acquired while off duty. Management will first make a reasonable attempt to find limited duty for officers within the Division, and if this is not possible, within ORS. An officer wishing to return to full duty will be required to obtain written documentation from his/her physician for review and acceptance by the NIH OMS, or will go to the NIH OMS directly to obtain documentation indicating that the officer is capable of returning to full duty.

### Receipt of Medical Treatment

- E. When an Officer is on limited/light duty status due to an on the job injury, and is required to receive medical treatment, Management shall not be unreasonable when considering adjusting the Officer's tour of duty so that the medical treatment will be during his/her duty hours if treatment is related to on job injuries. The use of leave without pay should not exceed one year for each individual request.

### ***Section 15. Trading Time***

- A. The “trading time” is voluntarily arranged by the employees participating in the program and subject to prior approval of the employer.
- B. The time and attendance reports will be posted to reflect the actual hours worked by each employee.

A progressive disciplinary process may begin at informal counseling by a supervisor with the Officer to explore the source of any difficulty and to suggest constructive ways to overcome such difficulty. The process may lead to oral admonishments, letters of warning, and letters of reprimand, suspensions, and/or removal. Serious offenses may be cause for severe actions, including removal, irrespective of whether previous discipline had been taken against the Officer.

### ***Section 4. Actions***

The following actions are considered disciplinary in nature:

- A. Oral Admonishment - An oral admonishment is an interview between a supervisor and an Officer intended to remedy a matter of concern. This interview is conducted with a high degree of flexibility and has no procedural requirements and no prescribed format. It is distinguished from oral counseling in that counseling is non-disciplinary in nature. The supervisor should make it clear to the Officer that the interview constitutes an oral admonishment and that it is intended and conveyed as a penalty.

    - f. An Officer will be given 14 days from the date of the receipt of all materials to reply to the charges.
    - g. A reply in person is an opportunity for the Officer and a representative to provide explanation to the deciding official or his/her designee of why the proposed action should not be taken. It may consist of the Officer's denial of the charges or a submission of affidavits or documentary evidence to controvert the charges or lessen the seriousness of the charges.

- h. If the Officer's representative is not a member of the Force, the Union shall be given the opportunity to have one representative present at the oral reply. The oral reply shall be scheduled at a time that meets the needs of the Officer and Management. If the Union-designated representative is unable to attend this scheduled meeting, a delay in the oral reply shall not be made. This Union representative shall be on official time if otherwise in a duty status. The Union representative may request that his/her tour of duty be changed to permit attendance during duty hours in accordance with provisions of the Union Representatives Article. The Officer-designated representative shall be the spokesperson at the meeting and the Union-appointed representative shall have the opportunity to offer the views of the Union at an appropriate time.
- 2. The Officer shall notify the assigned Employee and Labor Relations representative in writing, of the name, address and telephone number of the Officer's representative and permission to review all files. In the absence of such prior written notification, communication from the Officer shall be acceptable.
- 3. Following the Officer's reply to the charges, or upon expiration of the 14 day time limits the Officer chooses not to answer, the Officer shall receive a written notice of decision. The written decision will include rights and the appropriate procedure for appeal. The appeal of a suspension taken under the provisions of 5 CFR 752 A and B is through the negotiated grievance procedure.

In cases of an adverse action based on unacceptable performance, the action will be supported by substantial evidence and in all other adverse action cases; the action will be supported by preponderance of the evidence as required by the Civil Service Reform Act. An Officer will be given 30 days advance written notice prior to an action being taken. The notice of proposed action shall state the reasons, specifically and in detail, for the proposed action and shall include a copy of the official file including any exculpatory evidence. An Officer will be given 14 days from the date of the receipt of the proposal to reply to the charges. Officers may request an extension of time for sufficient reasons.

One or the other of these methods of appeal may be used, but not both, and once made the decision is irrevocable. An appeal with the Merit Systems Protection Board must be filed within 30 days of the effective date of the adverse action. A proceeding under the negotiated grievance procedure must be filed within 14 days.

If availability of funds is short due to budgetary constraints {budget cuts}, then officers with seniority will receive approval of their course requests prior to officers less senior than to them. This will assist with retention of current officers and improve their career development within the NIH Police Department. All reimbursement or repayment of educational expenses shall conform with the rules, laws, and regulations of the United States government, including but not limited to 5 USC 4101 et. seq., 5 CFR 213.3202 (b)(17); 5 USC 5379; 5 CFR 537; 5 USC 2105.
