

Why This Matters

Office of National Drug Control Policy Circular, Drug Control Accounting, dated May 1, 2007, requires National Drug Control Program agencies to submit to the Director not later than February 1 of each year a detailed accounting of all funds expended for National Drug Control Program activities during the previous fiscal year. This detailed accounting to the Director of National Drug Control Policy includes a Performance Summary Report. The Office of Inspector General is required to conduct a review of the report and provide a conclusion about the reliability of each assertion made in the report.

Independent Review of U.S. Coast Guard's Reporting of FY 2012 Drug Control Performance Summary Report

What We Determined

KPMG LLP, under contract with the Department of Homeland Security, Office of Inspector General, issued an Independent Accountants' Report on the FY 2012 Drug Control Performance Summary Report for the U.S. Coast Guard (USCG). USCG's management prepared the Performance Summary Report to comply with the requirements of the Office of National Drug Control Policy (ONDCP) Circular Drug Control Accounting, dated May 1, 2007. Based on the review, nothing came to KPMG LLP's attention that caused them to believe that the Performance Summary Report for the fiscal year ended September 30, 2012, is not presented, in all material respects, in conformity with ONDCP's Circular, or that management's assertions are not fairly stated, in all material respects, based on the criteria set forth in ONDCP's Circular. KPMG LLP did not issue any recommendations as a result of this review.
