- 1-2 Purpose. This regulation establishes local policies, procedures and responsibilities for governing the USAG SWF HBB application process. This regulation will assist in providing guidelines and direction on how to obtain a HBB license and authorization for their business.
- 1-3 Home Based Businesses. An HBB is any private business conducted out of the home for profit. An HBB includes businesses where the services are performed or goods are sold outside of the home. An HBB also includes any business that arranges personal demonstrations of goods (cookware, candles, jewelry, etc), advises potential customers on the use of those goods, and solicits individual orders at social gatherings, even if orders are mailed directly from a wholesaler to the customers. An HBB also includes activities normally performed as a hobby if an individual, on a frequent and recurring basis, sells the goods produced or performs services for profit.

CHAPTER 4 APPLICATION

- a. USAG application--
 - (1) Business plan
- (a) Cover page. Clearly print or type name, physical address, contact phone numbers, and email that we can contact you at and a basic overview of what services/goods will be provided.
- (b) Part I applicant information. Clearly print or type the information requested. Working hours relates to the hours that the HBB will operate.
- (c) Part II business details. In this section provide more information about the HBB. Circle what type of quarters you live in and provide the business address. Outline what the service/goods are, what makes it not available or different from what is already offered. Why there is a need? Etc. Make the sales pitch. If additional space is needed to outline the HBB details, this may be done by attaching a separate piece of paper behind this page.
- (d) Part III neighbor/housing assessment. How does the HBB affect the neighbors? Will the HBB require parking? Will there be more traffic in the stairwell? Will the HBB increase the utilities usage? Will there be more recyclables or rubbish to dispose of? Make an evaluation of the usage and affect of the HBB location.
- (e) Part IV permits. Living in Germany requires that an HBB owner obtains a German business license and tax card. This can be done through the Schweinfurt Rathaus in the marktplatz room 318. This section also asks about liability insurance. If your HBB is insured please provide the agency, type and renewal date for the insurance.
- (f) Part V supplies & equipment. Where are the HBB materials coming from? Are they ordered from the states, purchased locally, purchased at AAFES or the commissary? How will they be received, military mail or host nation post office? For instance, cookware will be ordered from a catalog and shipped direct to the client through their military mail address.
- (g) Part IV price list. List the HBB products and services with their cost. If products come from a catalog (Tupperware©, Scentsy ©, Pampered Chef ©, etc) attach the catalog, brochures

or other product materials. If the product or services are not listed and approved, they cannot be sold or provided.

- (2) Stairwell/neighbor petition. The petition lets neighbors know that there will be an HBB in operation. It assists the owner in ensuring that neighbors are aware of what the HBB is, the details of the business and what the expected issues may be and answer any questions that a neighbor may have. If a neighbor moves and a new neighbor comes in, it is not necessary to submit a new packet, but do make contact letting the new tenant know about the HBB.
- (3) AE From 210-70A, Certificate of Understanding for U.S. Forces Family Members to Engage in Commercial Activities. Acknowledges understanding of rules regarding HBB.
- (4) AE Form 210-70F, Application for U.S. Forces, Europe, Commercial Activity. This is the authorization form for HBB and commercial activities, which will become the final authorization once signed by the garrison commander. For German speakers, the second page has instructions in German to assist in filling out the form.
- (5) From Family members of the U.S. Forces only, a photocopy of a valid passport and a photocopy of the Status of Forces Agreement identification certificate in the passport.
- (6) HBB Checklist. The checklist ensures that everything necessary for the application process is complete and ready for submission to Administrative Services, building 206, room 104 on Ledward Barracks.
- (7) Memorandums from AAFES, DFMWR and housing. There are request memorandums in appendix B to assist in obtaining the necessary coordination. The AAFES memorandum and application packet gets dropped off at the customer service location and the representative there can assist in routing. The DFMWR memorandum goes with the packet to DFMWR. DFMWR is located on Ledward barracks, building 206 on the 3rd floor. Once responses are given and the checklist and additional memorandums provided the entire packet is turned in to the Administrative Services Branch, DHR, building 204, room 104 Ledward Barracks.
- (8) Copy of German business license and tax information. The application is appendix C and needs to be submitted at the Schweinfurt Rathaus, Markt 1, room 318 in the marktplatz.
- (9) Copy of brochures, catalogs, flyers, pictures or other materials that show what the services and/or products are, to include a price list.
- b. Once completed, submit all documents to the Administrative Services of DHR in building 206 Ledward Barracks, room 104, phone: 09721.96.1350/1770.

CERTIFICATE OF UNDERSTANDING FOR U.S. FORCES FAMILY MEMBERS TO ENGAGE IN COMMERCIAL ACTIVITIES

(AE Reg 210-70)

- 1. I have read and understand AR 210-7 and AE Regulation 210-70. I understand that a violation of these regulations could result in the withdrawal of my commercial activity privileges. Furthermore, I understand the following limitations on my commercial activities and certify that I will comply with these limitations:
 - a. I will not use the Military Postal Service to send or receive mail or merchandise connected with my commercial activities.
 - b. I will use neither a U.S. Forces-plated vehicle nor tax-free gasoline in any vehicle connected with my commercial activities.
 - c. I will not use my duty-free import privileges to import any merchandise, advertising material, or other items to be used in connection with my commercial activities.
 - d. I will not use any portion of Government-owned or -leased quarters as a factory or workshop for the production of goods for commercial resale. Furthermore, I will not use Government-owned or -leased quarters as business premises, showroom, store, or storage area for goods intended for commercial resale.
 - e. I will not take legal title to merchandise for commercial resale to comply with this regulation while, in fact, allowing any unauthorized company or person (including active duty U.S. military personnel and DOD civilians limited by DOD 5500.7-R) to operate a commercial enterprise under the guise of my commercial activity privileges.
 - f. I will not employ or use the services of active duty U.S. military personnel or DOD civilians contrary to the provisions of DOD 5500.7-R as agents, brokers, or salespersons in the operation of a commercial activity.
 - g. I will not lend, reproduce, or alter my letter of authorization.
 - h. I will not use any type of official identification document, other than my letter of authorization, AE Form 210-70F, or AE Form 210-70G to gain access to Army installations for the purpose of commercial activities.
 - i. I will comply with the provisions of AE Regulation 210-70 and in particular the following:
 - (1) I will not solicit door-to-door on Army installations, including Government-owned or -leased housing, except at the personal invitation of an individual residing in the area.
 - (2) I will not solicit or make appointments with military personnel in barracks and dayrooms or when they are on duty, nor will I solicit civilian employees during duty hours.

- 2. Additionally, I am aware that-
 - a. I am required by local law to register my business activity with host-nation authorities and apply for any necessary permits or licenses.
 - b. The requirement to register my business with host-nation authorities and pay taxes to host-nation tax authorities does not negate the requirement to report any income I derive from that same business to the U.S. Internal Revenue Service.
 - c. At the end of the calendar year or 8 weeks before leaving the host nation, whichever occurs first, I must report to host-nation tax authorities for assessment and collection of any tax due.
 - d. Issuance of my letter of authorization, AE Form 210-70F, or AE Form 210-70G does not in itself entitle me to engage in commercial activities on any Army installation. I must apply to local installation commanders to solicit and otherwise engage in commercial activities on installations under their jurisdiction.
 - e. Issuance of my letter of authorization, AE Form 210-70F, or AE Form 210-70G does not entitle me to any type of logistic support from the United States Government aside from my entitlement to logistic support as a Family member.
 - f. If my commercial activity privileges are withdrawn or suspended, I must return my letter of authorization, AE Form 210-70F, or AE Form 210-70G to the appropriate issuing authority within 7 days after receipt of notification of the withdrawal or suspension notice.
 - g. Commanders have the discretionary prerogative of restricting or prohibiting commercial activities on installations under their jurisdiction.
 - h. I must become familiar with and understand commercial activity regulations issued by appropriate headquarters and installation commanders.
 - i. Violations or noncompliance with commercial activity regulations may result in the withdrawal of my privileges to engage in commercial activities in the Army in Europe areas of responsibility.
- I further understand that a violation of the provisions of this certificate of understanding may result in the withdrawal of my commercial activity privileges.
- 4. I also understand that my commercial activities are subject to the customs, business registrations, and tax laws of the host nation where I seek to do business. In this regard, it is understood that my commercial activities may require the advice of local attorneys and possible Government customs officials to ensure my business activities are in compliance with local law.
- 5. I understand my contracts are governed by the requirements of the host-nation law. I will inform the personnel whom I contract that host-nation law applies.
