(“Yellowbrick”) of Essex, United Kingdom based on a settlement agreement.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 21, 2012, based on a complaint filed on behalf of BriarTek IP, Inc. of Alexandria, Virginia. *77 Fed. Reg.* 58579-80. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain two-way global satellite communication devices, system and components thereof by reason of infringement of certain claims of U.S. Patent No. 7,991,380. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named multiple respondents including Yellowbrick.

On October 31, 2012, complainant and Yellowbrick moved to terminate the investigation as to Yellowbrick based on a settlement agreement. The Commission investigative attorney filed a response in support of the motion, and no other party opposed the motion.

On November 8, 2012, the ALJ issued the subject ID (Order No. 7) granting the motion for termination as to Yellowbrick. He found that the motion satisfies Commission rules 210.21(a)(2), (b)(1). He further found, pursuant to Commission rule 210.50(b)(2), that termination of this investigation as to Yellowbrick is in the public interest. No party petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in sections 210.21 and 210.42(h) of the Commission's Rules of Practice and Procedure (19 C.F.R. §§ 210.21, 210.42(h)).

By order of the Commission.
