SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 21, 2012, based on a complaint filed by Hitachi Metals, Ltd. of Tokyo, Japan and Hitachi Metals North Carolina, Ltd. of China Grove, North Carolina (collectively, "Hitachi

Metals”). 77 Fed. Reg. 58578 (Sept. 21, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain sintered rare earth magnets, methods of making same and products containing same by reason of infringement of certain claims of United States Patent Nos. 6,461,565; 6,491,765; 6,527,874; and 6,537,385. The notice of investigation named several entities as respondents, including TELEX and Electro-Voice.

On November 20, 2012, Hitachi Metals filed an unopposed motion to terminate the investigation as to TELEX and Electro-Voice based upon withdrawal of allegations pertaining to them from the complaint. On November 30, 2012, the Commission investigative attorney filed a response in support of the motion. No other responses to the motion were filed.

On January 8, 2013, the ALJ issued the subject ID, granting the motion to terminate TELEX and Electro-Voice from the investigation. The ALJ found that the motion complied with the requirements of Commission Rule 210.21(a) (19 C.F.R. § 210.21(a)) and that no extraordinary circumstances prohibited granting the motion. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.

Lisa R. Barton
Acting Secretary to the Commission
