ABSTRACT OR RESEARCH PLAN: State the proposal's long-term objectives and specific aims, making reference to the health-relatedness of the project. Describe concisely the research design and methods for achieving these goals, and discuss the potential of the research for technological innovation. Summarize the results that are expected. Avoid summaries of past accomplishments and the use of the first person. This abstract is meant to serve as a succinct and accurate description of the proposed work when separated from the application. If the proposal is funded, this description, as is, will become public information. **Therefore, do not include proprietary/confidential information. DO NOT EXCEED 200 WORDS.**

 Provide key words (8 maximum) to identify the research or technology.

 Provide a brief summary of the potential commercial applications of the research.
