Game Changers in the Supply Chain Infrastructure: Are We Ready to Play?

Ronald Reagan Building and International Trade Center, Washington, DC
Monday, May 11, 2009

Join major supply chain stakeholders for a frank discussion about:

- *What the 21st century America's Supply Chain Infrastructure should look like,*
 - *How can the Supply Chain Infrastructure be financed, and*
- *What does the Government need to do to make these two outcomes happen?*

Breakout sessions with national experts will address:

- National Freight Policy – Meeting Tomorrow's Demands
- IT's Role in the Supply Chain Infrastructure
- Competitive Impact of Safety and Security
- Greening the Supply Chain: Challenges and Opportunities
- Financing a Competitive Supply Chain Infrastructure

Confirmed Speakers Include:

- Gary Locke, Secretary of Commerce
- Ray LaHood, Secretary of Transportation
- Mark R. Warner, Senator, Commonwealth of Virginia
- Edward G. Rendell, Governor, Commonwealth of Pennsylvania
- General Duncan J. McNabb, USAF, Commander, US Transportation Command
- Deborah Wince-Smith, President, Council on Competitiveness
- Senior Executives from Deloitte, Cisco, Caterpillar and Many Other Key Supply Chain Stakeholders
