

Implementation and Dissemination Science

Key References list

Below is a list of selected key resources helpful for dissemination and implementation (D&I) research. This is not a comprehensive list. For a more complete resource on recent publications on D&I, visit the D&I Publication Database at the NCI Division of Cancer Control Population Sciences Implementation Science website. To learn more about a current trans-NIH Dissemination and Implementation Research in Health funding opportunity for which these references may be useful visit: <http://cancercontrol.cancer.gov/IS/funding.html>
