Hi, my name is Leon the Lightning Lion!

Lightning is just a big spark of electricity in the sky.

It is a bright flash that makes a loud noise called "thunder."

It is scary and dangerous!

Lightning should be treated with respect, so use your head! When you hear thunder, go quickly into a house, school, or other large building.

**If you can't get into a building, get into a
hardtop car, truck, or bus.**

Don't be a fool; get out of the pool!

Don't be lame; end the game!

Remember, smart is better than brave!

Use your brain; don't wait for rain.

When thunder roars, go indoors!
