

Public Notice Submission

Provider Name: NTELOS Telephone, Inc.

Summary: NTELOS Telephone extensively serves Waynesboro, VA, surrounding areas of Augusta County, VA, and most of Botetourt County, VA with the latest Fiber To The Premises technology, DSL, and 3G Mobile Broadband. We currently provide and advertise High Speed Internet service using DSL technology at speeds up to 6Mbps downstream and up to 1Mbps upstream. NTELOS has been providing DSL since 1998. We have been deploying fiber optic technology since 2005 for FTTP services that provide Broadband Internet speeds of up to 20Mbps, as well as offering additional video and voice services. NTELOS also provides DS3/T-3 dedicated bandwidth and fiber-based Metro-Ethernet services to businesses at speeds up to multiples of hundreds of Megabits per second.
