USO entertainers jam at PTA

POHAKULOA TRAINING AREA, Hawaii—A group of musicians, entertainers, and band members get together to play some classic rock to Soldiers. They are here to show their support for troops who recently finished training at this Army installation. The night was alive as the band blasted the air with blues, rock and roll music while Soldiers whistled and clapped their hands after each gig. Amazingly, there was also a short comedy skit, too. The evening was cool, but energized by Big Island’s local musicians who happen to be USO entertainers.
