Rotary Club members discover PTA

POHAKULOA TRAINING AREA, Hawaii—Sarah Knox, PTA natural resources coordinator, and Bill Godby, PTA archeologist (second from left) discuss various PTA environmental projects to Rotary Club members Mark Mullins (second from right) and John Simmerman. More than 25 members and guests of the Rotary Club of North Kohala discovered facts about this U.S. Army installation when PTA staff and environmental staff, led by Lt. Col. Warline Richardson, garrison commander, Pohakuloa Training Area, gave a command briefing during the club's monthly luncheon meeting at the Tante's Bar and Grill in Waimea on the Big Island, July 30.
