FOR IMMEDIATE RELEASE

Noise advisory for Schofield training

SCHOFIELD BARRACKS, Hawaii – Residents in the immediate vicinity of Schofield Barracks may experience an increase in noise as a result of scheduled 25th Infantry Division field artillery training exercises, here, Sept. 18, from approximately 8 a.m.-3 p.m.

The effects of training vary depending on weather conditions. Overcast conditions may increase noise and vibrations. Smoke may be visible for a short time; however, there is no immediate danger.

The Army in Hawaii appreciates the community’s understanding and continued support of the Soldiers and family members here. While sometimes loud, the sounds of training represent how the Army ensures the nation's Soldiers are ready to accomplish the mission and return home safely.

To report concerns related to noise or training, community members can call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at (808) 656-3487. The USAG-HI Public Affairs Office responds to all reported concerns during regular business hours, Monday through Friday, 8 a.m.-4 p.m.
