Assessment Rates and Cash Deposit Requirements

In accordance with 19 CFR 351.221(b)(4)(i), we assigned a subsidy rate for each producer/exporter subject to this administrative review. Upon issuing the final results of the review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review if any individual assessment rate calculated in the final results of this review is above *de minimis*. For the

companies that certified no shipments, the Department will instruct CBP to assess countervailing duties at the rate entered. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the rate of 262.80 percent *ad valorem* of the entered value on shipments of the subject merchandise produced and exported by Fengchi and BRC, and entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. Furthermore, for the remaining companies subject to this review, the cash deposit rate will be the all others rate from the investigation. We intend to instruct CBP to continue to collect cash deposits for non-reviewed companies at the applicable company-specific countervailing duty rate for the most recent period or at the all-others rate established in the investigation, as appropriate. These deposit rates, when imposed, shall remain in effect until further notice.

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
