

Hello BMHS Community!

Your SY 2012-13 School Advisory Committee is up and running! Your elected representatives are as follows: Chair Mariana Miller, Vice-Chair Kim Holden, Secretary Theresa Jones and Teacher Rep Wade Krauchi. SAC will review school policies, current programs, and help resolve safety issues or concerns about the school. SAC encourages the community to be involved in the education of students. Below are FAQs about SAC. Looking forward in working with you all! Mariana Miller

What is SAC? The School Advisory Committee (SAC) is a forum of interested students, parents, and faculty who meet quarterly to communicate recommendations, concerns or advice to the principal on educational matters. SAC doesn't make school policy. It is an advisory board. In advising the principal, we represent the views of BMHS students, parents, and teachers.

What Can SAC do? SAC's purpose is to enhance educational programs, support services, and quality of life for BMHS students. SAC addresses issues involving instructional programs and resources, pupil services, standards of conduct and discipline, school policies, activities, and admin procedures. We don't address individual faculty/student issues. The SAC focuses on general problems or policy issues.

Who can come to the meetings? Students, parents, and faculty members are all encouraged to attend the meetings which are scheduled for: 5 Nov. 2012, 4 Feb. 2013, and 1 Apr. 2013. The meetings are held in the big conference room and begin at 15:30.

How can I give input? To be effective, representative and non-anonymous, SAC must know the views of students, parents and teachers. Email your issues of importance to:
bmhs.sac@gmail.com
