WHEN? **MONDAYS & WEDNESDAYS**

15:15-17:15 ROOM 85

(MR. MILLER'S COMPUTER LAB)

WHY? To provide time, a place, and guidance after school to help students to raise their grades, work on projects and papers, and to strengthen academic skills. This year, students preparing for SATs can also drop in for mini workshops in test prep. Students will sign in and out, bring needed books, assignment guidelines & materials (computers are available), and be ready to work hard to raise their grades. Parents & Staff: feel free to refer students you know could use Homework Club help. If you have Questions, please see Ms. Benavides (room 100) or Ms. Schofield (room 200) or email: Sabrina.benavides@eu.dodea.edu or rene.schofield@eu.dodea.edu
