

**Air Force Form 833 – Multimedia work order**

The Air Force Form 833 is used to request video and/or photo support for unit events.

Each unit should have a public affairs representative (UPAR) who should be your first person of contact to provide the photo support required.

If multimedia shop support is required use this form to request that support.

On the form, blocks 7, 8, 9, 10, 11, 12, 16, 18, 19, 20, 21 and 22 must be filled out completely, or request could be denied.

Blocks 18 and 22 need to spell out exactly what it is you're requesting support for and what types of photos you're looking for.

Due to limited manning in our multimedia office, support needs to be requested two weeks prior to the event.

The form 833 and a list of UPARs can be found by following this link:
