From: Chief of Naval Operations

Subj: THE ARLEIGH BURKE FLEET TROPHY/MARJORIE STERRETT BATTLESHIP
FUND AWARD/USS ARIZONA MEMORIAL TROPHY

1. Purpose. To collate information on the Arleigh Burke Fleet Trophy, the Marjorie Sterrett Battleship Fund Award and USS ARIZONA Memorial Trophy; to issue detailed procedures for effecting these awards; and to provide for distribution of income from the Marjorie Sterrett Battleship Fund.

2. Cancellation. OPNAVINST 3590.11E.

3. Background

a. Arleigh Burke Fleet Trophy. Admiral Arleigh A. Burke, USN, had a distinguished naval career spanning more than 38 years. The name Arleigh Burke symbolizes the essence of sea power. He made vital contributions in many key warfare areas including: battle efficiency, new tactical concepts, weapon systems, and naval leadership. It is proper that his name be associated with this award which recognizes outstanding improvement in battle efficiency.

b. Marjorie Sterrett Battleship Fund Award. This is a fund established in 1917 by the Tribune Association. It was initiated by a contribution which accompanied the following letter:

Brooklyn, N.Y.
February 2, 1916

"To the Editor of the New York Tribune

Dear Sir:

I read in your paper every morning a lot about preparedness. My grandpa and my great grandpa were soldiers. If I was a boy I would be a soldier, too, but I am not, so I want to do what I can to help. Mama gives me a dime every week for helping her. I am sending you this

week's dime to help build a battleship for Uncle Sam. I know a lot of other kids would give their errand money if you would start a fund. I am 13 years old, and go to Public School No. 9, Brooklyn.

Truly yours,

MARJORIE STERRETT"

Prior to World War II, income from this fund was used to pay prizes annually to turret and gun crews making the highest scores in short-range battle practice, and to submarine crews making the highest scores in torpedo firing. Since the end of World War II, the Navy has emphasized readiness and fitness of the ship rather than competition between individual departments. Accordingly, the income from the trust fund has been used to promote battle efficiency by its payment to ships which stand first in the intra-type battle efficiency competitions. It has been the policy to rotate eligibility for the award annually among various class groupings of ships.

c. USS ARIZONA Memorial Trophy. On behalf of the Secretary of the Navy, the Chief of Naval Operations (CNO) accepted the USS ARIZONA Memorial Trophy from the citizens of Arizona on 7 December 1987. The trophy is promoted and funded by the Arizona Navy League, USS ARIZONA Survivors Association, and other fraternal and civic groups in Arizona. Consistent with the mission of USS ARIZONA, the trophy is an award for combat readiness competition among ships of the surface force with primary missions in Strike Warfare, Surface Fire Support, and Anti-Surface Warfare.
