President Ahmadi-Nejad's Most Recent Call for the Destruction of Israel

The United States condemns President Ahmadi-Nejad's most recent comments advocating the destruction of the State of [Israel](#). These are the latest in a line of statements isolating the Iranian regime from the rest of the international community and are further cause for mistrust. Ahmadi-Nejad's focus on attacking Israel and the regime's internationally condemned Holocaust denial conference in December, are troubling. We continue to call on the Government of Iran to cease this harmful rhetoric.
