

INSTRUCTIONS FOR COMPLETING THIS FORM (Remove this page prior to completing form.)

Please print this form in English using blue or black ink, pressing firmly so all information transfers to all copies. Complete the declaration fully and legibly; otherwise, delay and inconvenience may result for the addressee. A false or misleading declaration may lead to a fine or seizure of the item and additional penalties. You may add a translation of the contents in a language accepted in the destination country.

Your goods may be subject to restrictions. It is your responsibility to comply with import and export regulations and restrictions (e.g., quarantine, pharmaceutical, etc.), and to determine what documents (e.g., commercial invoice, certificate of origin, health certificate, license, authorization for goods subject to quarantine such as plant, animal, or food products, etc.), if any, are required in the destination country. Check the country listings at pe.usps.com/text/imm/immctry.htm, as well as the UPU List of Prohibited Items available at www.upu.int/customs/en/country_list_en.pdf.

FROM (Sender information) and **TO** (Addressee information) sections: Enter both the sender's and addressee's full name and full address in the blocks provided. Incomplete names (e.g., initials) or incomplete address entries may result in delayed handling by Customs and/or the delivery office. Provide the telephone/fax number or email address of the sender, as such information will facilitate customs clearance and delivery.

Block 1: Enter a detailed description of each article — e.g., “men’s cotton shirts.” General descriptions — e.g., “samples,” “food products,” or “toiletries” — are not acceptable. If there is insufficient space on the form to list all articles, use additional forms as needed. Indicate on the first form (to the right of the barcode) the following: “Additional forms enclosed.” **Important:** Obliterate the tracking number and barcode on subsequent forms and place all the forms into PS Form 2976-E (plastic envelope).

Blocks 2–4: Enter the quantity, net weight (in pounds and ounces), and value (in U.S. dollars) of each article.

Block 5: Check the box specifying the category of the item. If the international shipment contains dangerous goods that are approved for mailing, check the box for “Dangerous Goods.” Mailability information for international shipments is available in Publication 52, *Hazardous, Restricted, and Perishable Mail* (chapter 6), and in *International Mail Manual* (IMM®) Part 135.

Block 6: Identify if special conditions or restrictions apply to items being mailed.

Block 7: Enter the total weight of the package in pounds and ounces, including packaging, which corresponds to the weight used to calculate the postage.

Block 8: Enter the total value in U.S. dollars.

Block 9: Check the box specifying instructions in case of nondelivery. Items returned to the sender are subject to return charges at the sender's expense.

Block 10: Except for shipments to APO/FPO/DPO addresses, enter an Automated Export System (AES) Internal Transaction Number (ITN), AES Exemption, or if applicable, an AES Downtime Citation. This standard may also apply when mailing items to, from, and between U.S. territories, possessions, and Freely Associated States — see DMM 608.2.5. One of these codes must appear in the “AES/ITN/Exemption” block before the Postal Service will accept a package for mailing. In general, mailpieces containing any type of goods (per Schedule B Export Codes at www.census.gov/foreign-trade/schedules/b) valued at more than \$2,500, or requiring an export license under U.S. law, must have an ITN issued by the U.S. Census Bureau or an AES Downtime Citation, subject to certain exceptions. Mailpieces that are exempt from filing must have an AES Exemption. Regardless of exemptions, all mailpieces must have an ITN or AES Downtime Citation if they are destined to certain countries on which the U.S. has a comprehensive embargo. To obtain an ITN and file electronically through the Census Bureau’s AES, or for additional information, please visit www.census.gov/foreign-trade/aes or call 800-549-0595. For additional information, refer to U.S. Postal Service® Publication 699, *Special Requirements for Shipping Internationally*, and to IMM Part 520.

AES Exemption. In order to comply with U.S. Census Bureau’s Foreign Trade Regulations, indicate “NOEEI § 30.37(a),” if applicable. “NOEEI § 30.37(a)” may be used when the value of each class of goods is \$2,500 or less, if an export license is not required. Do NOT use this AES Exemption for items sent to Cuba, Iran, North Korea, Sudan, or Syria. Further information can be found in IMM Parts 526 and 527.

Block 11: Check the box if the contents are subject to quarantine restrictions (plant, animal, food products, etc.).

Block 12: Sign and date the form. Your signature certifies that all entries are correct and the item(s) being mailed contain no undeclared dangerous, prohibited, or restricted contents per postal, customs, or destination country regulations. Your signature also certifies compliance with all applicable federal export licensing and filing regulations and confirms your liability for the item(s) being mailed.

Blocks 13–14: Enter Sender’s Customs Reference and Importer’s Reference, if applicable. (The Importer’s Reference might be a tax code, importer code, or VAT number used for sales tax.)

Block 15: Enter, if known, the Importer’s telephone number, fax number, or email address, as such information might facilitate customs clearance or delivery.

Blocks 16–20: In Blocks 16–18, enter License, Certificate, and/or Invoice number, if applicable. In Block 19, enter, if known, the 6-digit Harmonized Tariff Schedule number, which is based on the Harmonized Commodity Description and Coding System developed by the World Customs Organization. In Block 20, enter, if known, the “Country of Origin,” which is the country where the goods originated — i.e., where they were produced/manufactured or assembled.

Insert the completed form(s) into PS Form 2976-E, *Customs Declaration Envelope — CP 91*. Enclose any commercial documents in the envelope. Do not fold the form set or wrap it around the package. The entire barcode and all information must be visible. Remove the backing sheet and affix the envelope to the package on the address side.

IMPORTANT: *Save this receipt and present it when making an inquiry.*

PARCEL INDEMNITY COVERAGE: Indemnity for Priority Mail International® parcels, including insured and ordinary (uninsured) parcels, is provided only in accordance with Postal Service™ regulations in the *Domestic Mail Manual* (DMM®) and the *International Mail Manual* (IMM®). The DMM and IMM are available online at <http://pe.usps.com>. The addressee must report damage or missing contents to the delivering Post Office™ immediately.

Ordinary (uninsured) Priority Mail International parcels include indemnity coverage against loss, damage, or missing contents. Indemnity is limited to the lesser of the actual value of the contents or the maximum indemnity based on the weight of the article. Priority Mail International Flat Rate Envelopes and Priority Mail International Small Flat Rate Boxes are letter-post items and do not include indemnity coverage.

Insured mail service is available for a fee and replaces indemnity on ordinary parcels. Insurance coverage varies by country and is not available to some countries. Indemnity coverage is subject to both U.S. Postal Service® regulations and the domestic regulations of the destination country. Insurance for loss, damage, or missing contents covers the actual (depreciated) value of the contents.

Claims for lost ordinary and insured parcels may be payable only to the sender, and claims for damage and missing contents may be payable only to the addressee. The sender or addressee may waive the right of payment in favor of the other.

FILING CLAIMS: To initiate an inquiry for loss, damage, or missing contents, call the International Inquiry Center at 800-222-1811. International indemnity inquiries and claims for loss must be filed within the time limits for the service purchased. All claims for damage or missing contents must be filed immediately, and the article, containers, packaging, and all contents received must be presented to the destination Post Office.

Evidence of mailing (e.g., original mailing receipts or wrapper), evidence of insurance, and evidence of value (e.g., sales receipt or repair estimate) must be submitted in support of all claims. For complete regulations, see the IMM at <http://pe.usps.com>.

EXCEPTIONS: No coverage is provided for consequential losses, delay, concealed damage, spoilage of perishable items, articles improperly packaged, articles too fragile to withstand normal handling in the mails, or prohibited articles. See the DMM and the IMM for the specific types of losses that are covered, the limitations on coverage, the terms of insurance or indemnity, and the conditions of payment.

IMPORTANT: Indemnity coverage is not paid for Express Mail International® or ordinary (uninsured) Priority Mail International parcels containing the following: coins; banknotes; currency notes, including paper money; securities of any kind payable to the bearer; traveler's checks; platinum, gold, and silver; precious stones; jewelry; watches; and other valuable or prohibited articles. See the IMM for complete regulations.
