

Update DPVTM/DSF^{2TM} Update

January 24, 2007

News and information for the Mailing community

DPVTM/DSF^{2TM} LPR(License Performance Requirements) Updates

The following changes were posted to RIBBS on January 23, 2007.

DPV:

- 5.6.2.4 The paragraph was combined with 5.6.2.3.
- 5.6.2.3 An additional option to fax an image of the mail piece instead of actually mailing the mail pieces to the NCSC was added.

DSF²:

- 5.9.2 The paragraph was combined with 5.9.1.
- 5.9.1 An additional option to fax an image of the mail piece instead of actually mailing the mail pieces to the NCSC was added.

If you have any questions or need additional information, please contact 1-800-331-5747 or we can be contacted via email at amssupport.ncsc@usps.gov.
