106460	Upon finding zero balance for any mailing, the message displays incorrect account type. 'Permit Imprint Account No. # has 0 balance' is given for all permit types even when the permit account type is Metered or Precanceled. The same is true for less than zero balance.	No	No	Both	Continue with a negative balance, ignore incorrect permit type. This will require override. (The system will allow mailers to obtain a trust fund balance for Metered and Precanceled stamps.)
