

School Year 2012-2013

Free & Reduced School Meals

**Applications may be submitted beginning,
Monday, 1 August 2012.**

For a "FREE and REDUCED School Meal" application, please visit CYS Services Parent Central Services office located in bldg S-570.

All applications will be accompanied by proof of income, i.e., LES, pay stub, etc. (received during the month before the application is submitted).

- Parents may make payments at the PX Cashier Cage.
- Students may pre-pay for meals by bringing payment to the school cafeteria.
- All students can pay cash for their meals although this is highly discouraged. Students risk losing their money and it will slow down the lunch lines.

AAFES CHARGING POLICY

Students are notified as they near a zero balance and more funds should be added to their account. We do encourage you to prepay for this greatly increases the speed of meal service and allows the students more time to enjoy their meals. Please help us by paying promptly to avoid negative account balances. A la carte items may not be charged.
