

UNITED STATES AIR FORCE

OFFICE OF SPECIAL INVESTIGATIONS
UNIT LOCATIONS

• A WORLDWIDE MISSION

We are a federal law enforcement and investigative agency operating throughout the full spectrum of conflict, seamlessly within any domain; conducting criminal investigations and providing counterintelligence services.

In addition to the command's headquarters at Quantico, VA, AFOSI has eight field investigations regions. Seven of the regions are aligned with the Air Force major commands, and Region 7 provides investigative support to the other regions. AFOSI is the executive agency for the Defense Cyber Crime Center and operates the U.S. Air Force Special Investigations Academy.

There are subordinate field units located around the world of these regions comprised of squadrons, detachments and operating locations.

While the regions serve the investigative needs of the aligned major commands, all AFOSI units and personnel remain, by law, independent of those commands, and their chains of command flow directly to AFOSI headquarters. This organizational independence ensures unbiased investigations.

All locations in this product are placed as accurately as possible in their respective geographic areas. Due to mission requirements, unit locations change often. Every effort will be made to keep this product current. Questions or comments about this product may be directed to the AFOSI Public Affairs Office at the following email address: AFOSI.PA@ogn.af.mil. Visit us on the web at www.osi.af.mil.
