

NORTHERN ROCKIES GEOGRAPHIC AREA

(SIT 100) Resource Status

Updated: October 26, 2012 1000

Northern Rockies Preparedness Level: 1

National Preparedness Level: 1

ATTENTION: This will be the last Resource Status Report issued for the 2012 season.

Detailed status and assignment information for individual resources is obtained from the National Resource Ordering and Status System (ROSS). **If you have questions regarding the status or location of a resource, contact the local Dispatch Center.** This report will be published daily around 1030.

----- AVIATION -----

Note: Due to sensitive nature of aviation information, the AVIATION section of this document will not be posted on the public version of this Resource Status report.
