

EQIP Organic Initiative
Fiscal Year 2011

Resource concern categories allowed for FY 2011 Organic Initiative:

Primary Resource Concerns:

- Soil Condition
- Soil Erosion
- Domestic Animals
- Plant Condition
- Water Quality
- Fish and Wildlife

Secondary Resource Concerns*:

- Water Quantity
- Air Quality
- Energy Conservation

*May not be used to approve an application unless one of the “primary” resource concerns is also addressed in the plan of operations.
