Judge Advocate General										
Senior Commander										
Garrison Commander										
State Adjutant Generals				Report is designed						
USAR DRU / Major Subordinate Command Commanders	1.14	actions and trends across the installation /	1.14.a	to inform / standardize Soldier medico- legal actions and to reduce risks associated with policy, program,	ACPHP Annex D					
Medical Department Command / Center Commanders		command?		and process gaps / seams.						
Commanders at all levels										

Organizational Level		Task		Standard	Reference	N/A	Not Met	Partially Met	Met	Discussion / Recommendation
Judge Advocate General										
Senior Commander										
Garrison Commander		Do Installation / Garrison		Information is shared among						
State Adjutant Generals		staffs / agencies integrate specific Soldier information to integrate Soldier		"need to know" commanders and "help providers"	АСРНР					
USAR DRU / Major Subordinate Command Commanders	1.15	medico-legal processes (administrative separations, MMRB, MEB, PEB, disciplinary actions, WTU referrals, etc.)	1.15.a	(law enforcement, behavioral health, clinical and non-clinical ASAP and FAP).	Annex D					
Medical Department Command / Center Commanders										
Commanders at all levels										
Commanders at all levels	1.16	Is there a "commander's forum" to share observations / TTPs / lessons learned from suicide events?	1.16.a	Commander's forum focuses on successful intervention and events that led to Soldiers deaths.	ACPHP Annex D					

Organizational Level		Task		Standard	Reference	N/A	Not Met	Partially Met	Met	Discussion / Recommendation
Senior Commander				MOA provides comprehensive, seamless primary / behavioral health care in MTFs,						
Garrison Commanders	1.17	Are MOAs in place to allow all primary and behavioral health care providers to be integrated under a central authority Installation Commander	1.17.a	reduces provider- patient workload, and enhances provider professional development.	ACPHP Annex D					
Medical Department Command / Center Commanders		and MTF Commander?	1.17.b	MOA has a provision to "surge" medical capabilities and capacity upon unit redeployment.						
Senior Commander		Are redeploying BDE and BN commanders retained for 90-120 days during the reset phase to ensure leadership continuity and cognizant-mitigation of unit and Soldier stressors		Providing coordination directly with HRC / SLD on a case by case basis to provide balance	АСРНР					
Medical Department Command / Center Commanders	1.18	(e.g. complete PDHRA, insulate Soldier teams / networks, complete disciplinary / separation actions, integrate Soldier and Families, naturalize health promotion, etc.)?	1.18.a	between late changes of command (25-36 months) and the reset mitigation of high-risk Soldiers and Families.	Annex D					

Organizational Level		Task		Standard	Reference	N/A	Not Met	Partially Met	Met	Discussion / Recommendation
Senior Commander	1.19	Are redeploying maneuver unit (DIV / BDE / BN) primary care and behavioral health care personnel retained for 90-120 days during the reset phase (as feasible) to ensure	1.19.a	Providing coordination directly with HRC and local MTF commanders to	ACPHP Annex D					
Medical Department Command / Center Commanders		continuity care, cognizant- mitigation of unit and Soldier stressors, and sufficient treatment "handoff" to incoming medical personnel?		retain or align PROFIS primary care providers with unit reset plans.	Aunick B					
Senior Commander	1.20	Are Commanders considering the retention of redeploying unit level Soldiers during the reset phase for 90-120 days to ensure team / network continuity and cognizant-mitigation of unit and Soldier stressors? (e.g., team-based re-integration, team-supported family re-integration, re-focus high-adrenaline behavior, etc.)?	1.20.a	Coordinating directly with AG / G1 to centrally manage retention of the full-spectrum of MOSs.	ACPHP Annex D					
Senior Commander	1.21	Does the installation / garrison have regularly scheduled health promotion, risk reduction, suicide prevention	1.21.a	Activities are formally scheduled on installation calendars and attended by	ACPHP Annex D					
Garrison Commander		awareness observation activities (annually, quarterly, monthly)?		appropriate senior leaders.						

Organizational Level		Task		Standard	Reference	N/A	Not Met	Partially Met	Met	Discussion / Recommendation
Senior Commander	1.22	Is a formal system or process to compare and bench policies, programs,	1.22.a	Formal Process is designed to identify and incorporate	АСРНР					
Garrison Commander		and services with other like installations established?		"best-business practices".	Annex D					
Senior Commander		Did Deployed Commanders convene quarterly Suicide								
Garrison Commander	1.23	Prevention Review boards in theaters at the Corps/Division TF/JTF Level	1.23.a	Report of findings.	AR 600-63 Para 4-4					
Commanders at all levels		HQ, and report findings to DCS, G-1.			(1)(4)					
Judge Advocate General										
Senior Commander										
Garrison Commander	1.24	Do Installation / Garrison staffs / agencies integrate and reconcile common	1.24.a	Information regarding Soldier medico-legal actions is accurate and	ACPHP Annex D					
Medical Department Command / Center Commanders		medico-legal databases?		timely.						
Senior Commander		Have task forces, committees and risk reduction teams been established to facilitate local		Approved charter or	AR 600-63					
Garrison Commander	1.25	health promotion initiatives to reduce high-risk behaviors and build resiliency?	1.25.a	commander appointment letter.	Para 1-21/1-22					

Organizational Level		Task		Standard	Reference	N/A	Not Met	Partially Met	Met	Discussion / Recommendation
Senior Commander		Has a Community Health Promotion Council (CHPC)		CHPC integrates all staffs and agencies associated with	AR 600-63					
Garrison Commander	1.26	or similar body been established and does it meet regularly?	1.26.a	providing health promotion, risk reduction and suicide prevention-related programs.	Para 2-1 (d)					
Senior Commander		Are comprehensive processes implemented to maximize use of information		Process to maximize use of information is integrated into	ACPHP Annex D					
Garrison Commander	1.27	regarding health promotion, risk reduction and suicide prevention during recurring commanders reports, QTBs, USR briefs, etc.?	1.27.a	recurring commanders reports, QTBs, USR briefs, etc.	AR 600-63 Para 2-1					
Senior Commander		Did CHPC or SPTF establish policies and procedures for								
Garrison Commander	1.28	the implementation of a Suicide Response Team (SRT) for their respective installation or organization?	1.28.a	Defined roles and responsibilities of SRT.	AR 600-63 Para 4-4 (m) (5)					

Organizational Level		Task		Standard	Reference	N/A	Not Met	Partially Met	Met	Discussion / Recommendation
Senior			1.29.a	Charter clearly outlines the Organization structure.						
Commander		Are formal charters signed by	1.29.b	Charter clearly outlines the Mission.						
Senior Commander	1.29	the Installation / Garrison / MTF Commanders for all health promotion, risk reduction and suicide	1.29.c	Charter clearly outlines the scope and objectives integration with other councils / committees.	AR 600-63 Para 2-1 (d) (3)					
Medical		prevention-related programs, councils, committees, task	1.29.d	Charter clearly outlines the authorities.	(-)(-)					
Department Command / Center Commanders		forces, etc?	1.29.e	Charter clearly outlines the membership and roles / responsibilities						
Carian			1.29.f	Charter clearly outlines the meeting schedules.	AR 600-63
