Provisional Measures

Section 733(d) of the Act states that suspension of liquidation instructions issued pursuant to an affirmative preliminary determination may not remain in effect for more than four months except where exporters representing a significant proportion of exports of the subject merchandise request the Department to extend that four-month period to no more than six months. At the request of an exporter that accounted for a significant proportion of exports of circular welded austenitic stainless pressure pipe, we extended the four-month period to no more than six months. See *Circular Welded Austenitic Stainless Pressure Pipe from the People's Republic of China: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 73 FR 51788 (September 5, 2008) (“*Preliminary Determination*”).

In this investigation, the six-month period beginning on the date of the publication of the *Preliminary Determination* (i.e., September 5, 2008) ended on March 3, 2009. Furthermore, section 737 of the Act states that definitive duties are to begin on the date of publication of the ITC's final injury determination. Therefore, in accordance with section 733(d) of the Act, we have instructed U.S. Customs and Border Protection (“CBP”) to terminate suspension of liquidation and to liquidate without regard to antidumping duties (i.e., release all bonds and refund all cash deposits), unliquidated entries of circular welded austenitic stainless pressure pipe from the PRC entered, or withdrawn from warehouse, for consumption after March 3, 2009, and before the date of publication of the ITC's final injury determination in the **Federal Register**. Suspension of liquidation will continue on or after the date of publication of the ITC's final injury determination in the **Federal Register**.

Antidumping Duty Order

On March 12, 2009, in accordance with section 735(d) of the Act, the ITC notified the Department of its final determination, pursuant to section 735(b)(1)(A)(i) of the Act, that an industry in the United States is materially injured by reason of less-than-fair-value imports of subject merchandise from the PRC. Therefore, in accordance with section 736(a)(1) of the Act, the Department will direct CBP to assess, upon further instruction by the Department, antidumping duties

equal to the amount by which the normal value of the merchandise exceeds the export price of the merchandise for all relevant entries of circular welded austenitic stainless pressure pipe from the PRC. Except for the entries noted above,¹ these antidumping duties will be assessed on all unliquidated entries of circular welded austenitic stainless pressure pipe from the PRC entered, or withdrawn from the warehouse, for consumption on or after September 5, 2008, the date on which the Department published its preliminary determination. See *Preliminary Determination*.

Effective on the date of publication of the ITC's final affirmative injury determination, CBP will require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the estimated weighted-average antidumping duty margins listed below. See section 735(c)(1) of the Act. The “PRC-wide” rate applies to all exporters of subject merchandise not specifically listed. The weighted-average dumping margins are as follows:

Exporter & Producer	Weighted-Average Margin
Zhejiang Jiuli Hi-Tech Metals Co., Ltd. Produced by: Zhejiang Jiuli Hi-Tech Metals Co., Ltd.	10.53%
PRC-Wide Entity	55.21%

This notice constitutes the antidumping duty order with respect to circular welded austenitic stainless pressure pipe from the PRC pursuant to section 736(a) of the Act. Interested parties may contact the Department's Central Records Unit, Room 1117 of the main Commerce building, for copies of an updated list of antidumping duty orders currently in effect.

This order is published in accordance with section 736(a) of the Act and 19 CFR 351.211.

Dated: March 12, 2009.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.
