

# Humphreys American School

## Mission Statement:

Educate, Engage, and Empower Each Student to succeed in a dynamic world.

## School Vision Statement:

Humphreys American School (HAS) is dedicated to providing the highest quality education where a love of learning is evident in all students and teachers. We envision a school community in which the environment is positive, nurturing and respectful of students, teachers and the military community. HAS strives to be a school in which academic, artistic and physical expectations are high and individualized for each student and goal-oriented, technology-rich instruction aligns with Department of Defense Education Activity standards and assessments. At Humphreys American School, engaged parents, teachers and the military community will all work together to ensure that all students can be successful.

# Humphreys American School

## Goal 1:

By June 2014, all Humphreys American School students will increase performance on targeted writing skills using instructional strategies implemented in all curricular areas as measured by TN3 Language subtests and school-based assessments.

The targeted skill is to answer constructed response questions that produce clear and coherent writing focusing on organization, ideas and sentence fluency.

Instructional strategy - 6 +1 Traits of Writing

## Goal 2:

By June 2014, all Humphreys American School students will increase performance on targeted math skills using instructional strategies implemented in all curricular areas as measured by TN3 Math subtests, other system-wide assessments, and school-based assessments.

The targeted skill is to construct focused organized arguments that support the problem solving process.
