I. INTRODUCTION

This procedure identifies the compilation of documents describing the Agreement State program.

II. OBJECTIVE

The objectives of this procedure are:

- A. To provide a central reference point for all documents that collectively describe the Agreement State program as authorized by Section 274 of the Atomic Energy Act of 1954, as amended, and the Energy Policy Act of 2005.
- B. To aid in management of the Agreement State program by establishing a comprehensive listing of Agreement State program documentation that can be used by the U.S. Nuclear Regulatory Commission (NRC), Agreement and Non-Agreement State staff.
