Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter otherwise notifies the clerk, or the county election official receives evidence that the elector's voter registration is no longer current.

All information applies to Uniformed Service members, their families, and overseas citizens, as well as members of the U.S. Armed Forces and Merchant Marines who have been discharged within 30 days of an election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. To vote in the elections of a political party that has authorized non-affiliated electors, write: "I want to vote in (fill in party) primary." Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Oregon Driver's License number OR if you do not have an Oregon Driver's License the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Oregon allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Oregon voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Oregon provides a State Write-In Absentee Ballot to any voter residing outside the U.S. unable to vote using the regular absentee voting process. This ballot may be requested any time before the election. To request it, write in Block 9: "I am outside the territorial limits of the United States and the District of Columbia and I am unable to vote and return a regular absentee ballot by normal mail delivery in the time provided for regular absentee ballots. I request a special write-in absentee ballot." This request is valid only for the election specified on the application.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.
